

2018 'Sponsor A Space' & Help Animals All Year

Each year at the Fredericton SPCA, we provide shelter to about 900 animals. Some of them are sick, injured, abused, or abandoned. With help of donations, we prepare them for a second chance at a new life. That process can take a few days or even several months.

Becoming a 'Sponsor A Space' donor at the Fredericton SPCA means you will help provide food, medicine, veterinary care, and enrichment programs to animals in need.

Donors can be individuals, a family, a company, a group of co-workers or friends, community organizations, school classrooms, or other groups of people who want to help animals.

Sponsorships can be given as a gift for Weddings, Birthdays, Christmas or other special occasions, donated in honour or memory of a pet, or in the name of an individual or family.

Our 'Sponsor A Space' program provides a great opportunity for you to help care for all the homeless animals at the Fredericton SPCA. All sponsors will have a name plate mounted on the kennel or cage for one year. Sponsors will also be listed on our website.

Sponsorships can be paid in full, or for your convenience, be withdrawn from your bank account in 12 monthly instalments. All donations are tax-deductible.
